Levy of Octroi duty on yarn imported in Chickballapur Municipality

SIR

I have the honour to state that the Town Municipal Council, Chickballapur at their meeting held on 29-2-48 resolved to levy octroi duty on yarn under section 61 clause iv of the Town Municipalities Act at 0-0-3 per rupee advalorem In pursuance of this resolution the President issued a notification on 1-3-1948 from his office calling for objections from people concerned within a specified period of one month In response to the notification, three objection petitions were received and the e are enclosed in the records for reference The Municipal Council at their meeting held on 30-4-48 considered all the objections and resolved to levy Octroi duty on yarn as proposed at their meeting held on 29/2/48 in order to improve the finances of the Municipality
The President has recommended that sanction of Government may be obtained for the proposal of the Municipal council

The objection brought against the levy was that Octroi is not levied on yarn in any of the other Municipalities in the State, that Octroi was being levied on cloth manufactured from yarn, and that if the Octroi is levied in yarn also it would amount to a double levy on the consumers who would be hard hit Again the merchants dealing in yarn represented that as Octroi was levied on yarn conspiciously in this Municipality the selling price of manufactured cloth would work out to much more than the selling price prevailing in all other places and that this increase in the price of cloth would affect their business adversely and put them to loss.

the financial position of the Municipality is not quite satisfactory and ways and means have to be devised to improve its income The proposal of the Municipality to levy Octroi on yarn tend to improve the financial condition I request that sanction of Government may kindly be obtained to the resolution of the council to levy octroi duty on yarn The rate proposed by the council is inaccordance with the rate mentioned in the schedule II to section 61 of the Town Municipalities Act.

I have the honour to be,
Sir,
Your most obedient servant,

Sd George Matthan
